Bad Weather 1999 david scott kastan lucidly explores the remarkable richness and the ambitious design of king henry iv part 1 and shows how these complicate any easy sense of what kind of play it is conventionally regarded as a history play much of it is in fact conspicuously invented fiction and kastan argues that the non historical comic plot does not simply parody the historical action but by its existence raises questions about the very nature of history the full and engaging introduction devotes extensive discussion to the play s language indicating how its insistent economic vocabulary provides texture for the social concerns of the play and focuses attention on the central relationship between value and political authority

King Henry IV Part 1 2014-09-25 first published in 1990 this title presents the personal reflections of renowned community architect rod hackney who served for many years as president of both the royal institute of british architects and the international union of architects educated in the modernist tradition of architecture in britain and denmark hackney s return to england in the 1970s changed his outlook completely cities like

birmingham and sheffield had been ruined by ill conceived planning whole communities had been torn apart by massive destruction of victorian terraces and relocated to grim tower block estates to those communities that he has rescued from the threat of redevelopment rod hackney is a local hero determined to save britain s inner cities he has been a major influence on prince charles and a powerful spokesman for the silent majority of the urban poor who often have no say as to where and how they live

The Awful Truths 2009-10-13 envy irritation paranoia in contrast to powerful and dynamic negative emotions like anger these non cathartic states of feeling are associated with situations in which action is blocked or suspended in her examination of the cultural forms to which these affects give rise sianne ngai suggests that these minor and more politically ambiguous feelings become all the more suited for diagnosing the character of late modernity along with her inquiry into the aesthetics of unprestigious negative affects such as irritation envy and disgust ngai examines a racialized affect called animatedness and a paradoxical synthesis of shock and boredom called stuplimity she explores the politically equivocal work of these affective concepts in the cultural contexts where they seem most at stake from academic feminist debates to the harlem renaissance from late twentieth century american poetry to hollywood film and network television

through readings of herman melville nella larsen
sigmund freud alfred hitchcock gertrude stein
ralph ellison john yau and bruce andrews among
others ngai shows how art turns to ugly feelings
as a site for interrogating its own suspended
agency in the affirmative culture of a market
society where art is tolerated as essentially
unthreatening ngai mobilizes the aesthetics of
ugly feelings to investigate not only ideological
and representational dilemmas in literature with a
particular focus on those inflected by gender and
race but also blind spots in contemporary literary
and cultural criticism her work maps a major
intersection of literary studies media and
cultural studies feminist studies and aesthetic
theory

Playfulness in Shakespearean Adaptations

2020-04-30 stephen king has been hailed as a
writer of the late 20th century everyman yet his
representations of women remain debatable these
essays not only explore his portrayal of female
characters they illuminate stephen king s own
psychology and that of our culture s fears
anxieties and feminine obsessions the various
works examined include carrie gerald s game rose
madder halloween friday the 13th dolores claiborne
it christine and misery the essays progress
through various discussions of female power versus
male authority the association of female with evil
and king s monster imagery associated with the
mother figure characters written by various
scholars and professors these essays offer rare
insight into the treatment of the female
characters of stephen king s imagination the works

of stephen king are as popular as they are contested delineated by his precise commentary on the late 20th century culture and most notably american culture his horror fiction strikes a more specific personal note with readers these essays tap into the feminine aspect of king s social commentary concentrating on his treatment of female characters these essays explore stephen king s exposure of the fears anxieties and obsessions concerning the female and feminine that our culture harbors the numerous works analyzed in this book provide a comprehensive study of king s treatment of the feminine and what it implies about our culture and stephen king

The Speaker 1901 this title offers the first comprehensive study of the sudden appearance and rise to popularity of the moralistic prose pamphlet its interest lies not just in the pamphlet s subject matter but also in the literary techniques developed by its authors to appeal to a newly literate and growing audience clark shows what knowledge of the pamphleteers choice and presentation of their topical material can contribute to our understanding of elizabethan thought and society
