Style Deficit Disorder 2007-12-13 the harajuku neighbourhood of tokyo has become an international style mecca a street level fashion scene prowled by major designers looking for inspiration and whose local cutting edge labels enjoy global cachet style deficit disorder is the first book to explore this remixed fast forward fashion hotbed profiling its most daring and influential designers labels stylists and shops featuring nearly 200 photos essays by key japanese fashion editors and commentary by many western designers this is a must have insider's look at an international fashion and pop culture epicentre past present and future

Roppongi Crossing 2011-03-15 for most of the latter half of the twentieth century roppongi was an enormously popular nightclub district that stood out from the other pleasure quarters of tokyo for its mix of international entertainment and people it was where japanese and foreigners went to meet and play with the crash of japan's bubble economy in the 1990s however the neighborhood declined and it now has a reputation as perhaps tokyo's most dangerous district a hotbed of illegal narcotics prostitution and other crimes its concentration of bad foreigners many from china russia and eastern europe west africa and southeast asia is thought to be the source of the trouble roman adrian cybriwsky examines how roppongi's nighttime economy is now under siege by both heavy handed police action and the conservative japanese construction state an alliance of large private builders and political interests with broad discretion to redevelop tokyo the construction state sees an opportunity to turn prime real estate into high end residential and retail projects that will clean up the area and make tokyo more competitive with shanghai and other rising business centers in asia roppongi crossing is a revealing ethnography of what is arguably the most dynamic district in one of the world's most dynamic cities based on extensive fieldwork it looks at the interplay between the neighborhood's nighttime rhythms its emerging daytime economy of office towers and shopping malls japan's ongoing internationalization and changing ethnic mix and roppongi hills and tokyo midtown the massive new construction projects now looming over the old playground

Theatricality of the Closet 2023-09-15 a richly illustrated exploration of fashion and its capacity for generating controversy and constructing social and individual identities clothing matters this basic axiom is both common sense and in another way radical it is from this starting point that michelle liu carriger elucidates the interconnected ways in which gender sexuality class and race are created by the everyday act of getting dressed theatricality of the closet fashion performance and subjectivity between victorian britain and meiji japan examines fashion and clothing controversies of the nineteenth century drawing on performance theory to reveal how the apparently superficial or frivolous deeply affects the creation of identity by interrogating a set of seemingly disparate examples from the same period but widely distant settings victorian britain and meiji era japan carriger disentangles how small local ordinary practices became enmeshed in a global fabric of cultural and material surfaces following the opening of trade between these nations in 1850 this richly illustrated book presents an array of media from conservative newspapers and tabloids to ukiyo e and early photography that locate dress as a site where the individual and the social are interwoven whether in the 1860s and 1870s or the twenty first century

Historical Dictionary of Tokyo 2011-02-18 tokyo is japan s largest city and its capital it is also one of the largest cities in the world and a major center of global economic influence the origins of human settlement in what is today tokyo are lost in prehistory the city started out quite modestly as a small castle town of edo in 1457 then the center of the tokugawa shogunate from 1603 1868 the rapidly modernizing and westernizing capital of the nation during the meiji period 1868 1912 and the capital of a prosperous nation and growing empire thereafter tokyo was utterly devastated during world war ii but this was not the first time tokyo had to start seemingly from new due to many fires and earthquakes the city has constantly rebuilt itself and today it outdoes all its previous emanations by far the second edition of the historical dictionary of tokyo is a much needed reference source on the city this is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries on people places events and other terminology about the city of tokyo this book is a must for anyone interested in japan and tokyo

Venous Disorders 2010 this book is a visual foray into japan s popular and influential gothic lolita and gothic punk subculture it showcases a creative lifestyle synthesized from a remix of victoriana the macabre anime and theatricality drawing on the early punks of the 70s and 80s and the club kids of the 90s japanese goth blends disparate elements of global pop culture into something fun stylish and unique part marilyn manson part hello kitty it attracts established figures from tokyo s trendsetting fashion art and design scenes and has inspired the next generation of designers tastemakers and fashionistas featured here are key designers artists and personalities including mana gackt kokusyoku sumire ayako s koitsukihime gloomy bear and many others

Japanese Goth 2009 depictions of an alcohol saturated japan populated by intoxicated salarymen beer dispensing vending machines and a generally tolerant approach to public drunkenness typify domestic and international perceptions of japanese drinking even the popular definitions of japanese masculinity are interwoven with accounts of personal alcohol consumption in public settings gender norms that exclude and marginalize the alcoholic and yet the alcoholic also exists in japan and exists in a manner revealing of the dominant processes by which alcoholism and addiction are globally influenced understood and classified as such this book examines the ways in which alcoholism is understood accepted and taken on as an influential and lived aspect of identity among japanese men at the most general level it explores how a subjective idea comes to be regarded as an objective and unassailable fact here such a process concerns how the culturally and temporally specific treatment methodology of alcoholics anonymous upon which much of japan s other major sobriety association danshōkai is also based has come to be the approach in japan to diagnosing treating and structuring alcoholism as an aspect of individual identity in particular the gendered consequences how this process transpires or is resisted by japanese men are considered as they offer substantial insight into how categories of illness and disease are created particularly the ramifications of dominant forms of such categorizations across increasingly porous cultural borders ramifications that become starkly obvious when japan s persistent connection between notions of masculinity and alcohol consumption are considered from the perspective of the sober alcoholic and sobriety group member

Japan, Alcoholism, and Masculinity 2014-12-11 a rollercoaster ride from the cult master of the psycho thriller a blistering portrait of contemporary japan its nihilism and decadence wrapped up within one of the most savage thrillers since the silence of the lambs kirkus deft and fascinating a grisly tour of the darkness and confusion of the human mind new york times it s just before new year and frank an overweight american tourist has hired kenji to take him on a guided tour of tokyo s nightlife but frank s behaviour is so odd that kenji begins to entertain a horrible suspicion his client may in fact have murderous desires although kenji is far from innocent himself he unwillingly descends with frank into an inferno of evil from which only his sixteen year old girlfriend jun can possibly save him

In The Miso Soup 2009-08-03 exploring how depression has become a national disease in japan this work shows how psychiatry has responded to the nation s ailing social order how in

a remarkable transformation the discipline has begun to overcome longstanding resistance to its intrusion in japanese life

Depression in Japan 2012 law and order offers a valuable new study of the political and social history of the 1960s it presents a sophisticated account of how the issues of street crime and civil unrest enhanced the popularity of conservatives eroded the credibility of liberals and transformed the landscape of american politics ultimately the legacy of law and order was a political world in which the grand ambitions of the great society gave way to grim expectations in the mid 1960s amid a pervasive sense that american society was coming apart at the seams a new issue known as law and order emerged at the forefront of national politics first introduced by barry goldwater in his ill fated run for president in 1964 it eventually punished lyndon johnson and the democrats and propelled richard nixon and the republicans to the white house in 1968 in this thought provoking study michael flamm examines how conservatives successfully blamed liberals for the rapid rise in street crime and then skillfully used law and order to link the understandable fears of white voters to growing unease about changing moral values the civil rights movement urban disorder and antiwar protests flamm documents how conservatives constructed a persuasive message that argued that the civil rights movement had contributed to racial unrest and the great society had rewarded rather than punished the perpetrators of violence the president should conservatives also contended promote respect for law and order and contempt for those who violated it regardless of cause liberals flamm argues were by contrast unable to craft a compelling message for anxious voters instead liberals either ignored the crime crisis claimed that law and order was a racist ruse or maintained that social programs would solve the root causes of civil disorder which by 1968 seemed increasingly unlikely and contributed to a loss of faith in the ability of the government to do what it was above all sworn to do protect personal security and private property

Law and Order 2005 a collection of translated stories about life in tokyo throughout most of the twentieth century

Tokyo Stories 2002-06-27 our jungle road to tokyo is the dazzling account of how us and allied forces overcame incredible odds to rout invading japanese from entrenched positions deep in the mountain jungles of papua new guinea battles take place in swamps impassable vegetation coconut plantations with invisible snipers buried in tree roots hill sides riddled with pill boxes and underground bunkers impervious to artillery and mortar it is a detailed autobiographical report from a leading architect of the southwest pacific campaign general robert eichelberger who took his orders directly from big chief himself general douglas macarthur the action begins in earnest with macarthur s chilling directive to eichelberger regarding the recapturing of buna on papua s north coast take buna bob or don t come back alive

Our Jungle Road to Tokyo 2017-11-11 after the execution of her father the young and beautiful lady asano is in grave danger from the powerful lord kira in order to save herself asano must find oishi the leader of the fighting men of her clan she believes he is three hundred miles to the southwest in the imperial city of kyoto disguising her loveliness in the humble garments of a traveling priest and calling herself cat lady asano travels the fabled tokaido road her only tools are her quick wits her samurai training and her deadly six foot long naginata

and she will need them all for a ronin has been hired to pursue her a mysterious man who will play a role in cat s drama that neither could have ever imagined at the publisher s request
