## ***Man of the Hour 1999***

a riveting novel about the remarkable life and many loves of author H.G. Wells  
H.G. Wells author of *The Time Machine* and *War of the Worlds* was one of the  
twentieth century's most prophetic and creative writers a man who immersed  
himself in socialist politics and free love whose meteoric rise to fame  
brought him into contact with the most important literary intellectual and  
political figures of his time but who in later years felt increasingly  
ignored and disillusioned in his own utopian visions novelist and critic  
David Lodge has taken the compelling true story of Wells's life and  
transformed it into a witty and deeply moving narrative about a fascinating  
yet flawed man Wells had sexual relations with innumerable women in his  
lifetime but in 1944 as he finds himself dying he returns to the memories of  
a select group of wives and mistresses including the brilliant young student  
Amber Reeves and the gifted writer Rebecca West as he reviews his  
professional political and romantic successes and failures it is through his  
memories of these women that he comes to understand himself eloquent sexy and

tender the novel is an artfully composed portrait of wells s astonishing life with vivid glimpses of its turbulent historical background by one of england s most respected and popular writers

## **A Man of Iron 2023-11-14**

what does it mean to be male in the 21st century award winning artist grayson perry explores what masculinity is from sex to power from fashion to career prospects and what it could become with illustrations throughout in this witty and necessary new book artist grayson perry trains his keen eye on the world of men to ask what sort of man would make the world a better place what would happen if we rethought the macho outdated version of manhood and embraced a different ideal in the current atmosphere of bullying intolerance and misogyny demonstrated in the recent trump versus clinton presidential

campaign the descent of man is a timely and essential addition to current conversations around gender apart from gaining vast new wardrobe options the real benefit might be that a newly fitted masculinity will allow men to have better relationships and that s happiness right grayson perry admits he s not immune from the stereotypes himself yet his thoughts on everything from power to physical appearance from emotions to a brand new manifesto for men are shot through with honesty tenderness and the belief that for everyone to benefit updating masculinity has to be something men decide to do themselves they have nothing to lose but their hang ups

## **The Descent of Man *2017-05-30***

regarded as one of the most important sociological and business commentaries of modern times the organization man developed the first thorough description of the impact of mass organization on american society during the height of the eisenhower administration corporations appeared to provide a blissful answer to postwar life with the marketing of new technologies television affordable cars space travel fast food and lifestyles such as carefully planned suburban communities centered around the nuclear family william h whyte found this phenomenon alarming as an editor for fortune magazine whyte was well placed to observe corporate america it became clear to him that the american belief in the perfectibility of society was shifting from one of

individual initiative to one that could be achieved at the expense of the individual with its clear analysis of contemporary working and living arrangements the organization man rapidly achieved bestseller status since the time of the book's original publication the american workplace has undergone massive changes in the 1990s the rule of large corporations seemed less relevant as small entrepreneurs made fortunes from new technologies in the process bucking old corporate trends in fact this new economy appeared to have doomed whyte's original analysis as an artifact from a bygone day but the recent collapse of so many startup businesses gigantic mergers of international conglomerates and the reality of economic globalization make the organization man all the more essential as background for understanding today's global market this edition contains a new foreword by noted journalist and author joseph nocera in an afterword jenny bell whyte describes how the organization man was written

asks whether we can ever truly recall something that no longer exists

## **Jamie Johnson 4: Man of the Match 2013-11-07**

from an acclaimed historian comes an authoritative and balanced biography of fdr based on previously untapped sources no president looms larger in twentieth century american history than franklin delano roosevelt and few life stories can match his for sheer drama following in the footsteps of his republican cousin president theodore roosevelt fdr devoted himself to politics as a democrat and a true man of the people eventually setting his sights on the presidency he was elected to office in 1932 by a nation that was mired in the great depression and desperate for revival as the distinguished historian alonzo hamby argues in this authoritative biography fdr s record as president was more mixed than we are often led to believe the new deal provided much needed assistance to millions of americans but failed to restore prosperity and while fdr became an outstanding commander in chief during world war ii his plans for the postwar world were seriously flawed no less perceptive is hamby s account of fdr s private life which explores the dynamics of his marriage and his romance with his wife s secretary lucy mercer hamby documents fdr s final months in intimate detail claiming that his perseverance despite his serious illness not only shaped his presidency but must be counted as one of the twentieth century s great feats of

endurance hamby reveals a man whose personality egocentric undisciplined in his personal appetites at times a callous user of aides and associates yet philanthropic and caring for his nation s underdogs shaped his immense legacy man of destiny is a measured account of the life both personal and public of the most important american leader of the twentieth century

## ***The Man of Feeling 2014-10-07***

rick stanton was a promising professional baseball player with dreams of playing in the major leagues and starting a family with his young wife francesca when world war ii changed everything rick returns from the war with his body broken and his dreams shattered but it was not just body and spirit he sacrificed for the war he and francesca volunteered their beloved dog pax for the army s k 9 corp not knowing if they d ever see him again keller nicholson is the soldier who fought the war with pax by his side and the two have the kind of profound bond that can only be forged in war pax is the closest keller has to a sense of family and he can t bear the thought of returning him to the stantons but rick and francesca refuse to give him up instead an arrangement is made keller will work as rick s live in aide and thus an unlikely family is formed with steadfast pax at the center as they try to build a new life out of the ashes keller and francesca struggle to ignore their growing attraction to each other and rick believing that he can

no longer give francesca what she needs and wants quietly plans a way out all three of them need healing all three of them are lost and in susan wilson s a man of his own pax with his unconditional love and unwavering loyalty may be the only one who can guide them home

## **Man of Destiny 2015-09-22**

moving away from the explicitly political content of his previous novels victor hugo turns to social commentary in the man who laughs an 1869 work that was made into a popular film in the 1920s the plot deals with a band of miscreants who deliberately deform children to make them more effective beggars as well as the long lasting emotional and social damage that this abhorrent practice inflicts upon its victims

## **A Man of His Own 2013-09-24**

i have no wish to play the pontificating fool pretending that i ve suddenly come up with the answers to all life s questions quite the contrary i began this book as an exploration an exercise in selfquestioning in other words i wanted to find out as i looked back at a long and complicated life with many twists and turns how well i ve done at measuring up to the values i myself have set in this luminous memoir a true american icon looks back on his

celebrated life and career his body of work is arguably the most morally significant in cinematic history and the power and influence of that work are indicative of the character of the man behind the many storied roles sidney poitier here explores these elements of character and personal values to take his own measure as a man as a husband and father and as an actor poitier credits his parents and his childhood on tiny cat island in the bahamas for equipping him with the unflinching sense of right and wrong and of selfworth that he has never surrendered and that have dramatically shaped his world in the kind of place where i grew up recalls poitier what s coming at you is the sound of the sea and the smell of the wind and momma s voice and the voice of your dad and the craziness of your brothers and sisters and that s it without television radio and material distractions to obscure what matters most he could enjoy the simple things endure the long commitments and find true meaning in his life poitier was uncompromising as he pursued a personal and public life that would honor his upbringing and the invaluable legacy of his parents just a few years after his introduction to indoor plumbing and the automobile poitier broke racial barrier after racial barrier to launch a pioneering acting career committed to the notion that what one does for a living articulates who one is poitier played only forceful and affecting characters who said something positive useful and lasting about the human condition here finally is poitier s own introspective look at what has informed his performances and his life poitier explores the nature of

sacrifice and commitment pride and humility rage and forgiveness and paying the price for artistic integrity what emerges is a picture of a man seeking truth passion and balance in the face of limits his own and the world s a triumph of the spirit the measure of a man captures the essential poitier

## ***The Man Who Laughs 2011-05-01***

first published in 1918 man of straw is a sharp indictment of the wilhelmine regime and a chilling warning against the joint elevation of militarism and commercial values the man of straw is diederich hessling embodiment of the corrupt society in which he moves his brutish progression through life forms the central theme of the book

## **A Man of Respect 1995**

finalist for the 2016 man booker prize winner of the 2016 paris review plimpton prize for fiction a magnificent and ambitiously conceived portrait of contemporary life by a genius of realism nine men each of them at a different stage in life each of them away from home and each of them striving in the suburbs of prague in an overdeveloped alpine village beside a belgian motorway in a dingy cyprus hotel to understand what it means to be alive here and now tracing a dramatic arc from the spring of youth to the winter of old

age the ostensibly separate narratives of all that man is aggregate into a picture of a single shared existence a picture that interrogates the state of modern manhood while bringing to life unforgettably the physical and emotional terrain of an increasingly globalized europe and so these nine lives form an ingenious and new kind of novel in which david szalay expertly plots a dark predicament for the twenty first century man dark and disturbing but also often wickedly and uproariously comic all that man is is notable for the acute psychological penetration szalay brings to bear on his characters from the working class ex grunt to the pompous college student the middle aged loser to the russian oligarch steadily and mercilessly as this brilliantly conceived book progresses the protagonist at the center of each chapter is older than the last one it gets colder out and all that man is gathers exquisite power szalay is a writer of supreme gifts a master of a new kind of realism that vibrates with detail intelligence relevance and devastating pathos
