Biblical Commentary on the Proverbs of Solomon 1874 this historic book may have numerous typos and missing text purchasers can usually download a free scanned copy of the original book without typos from the publisher not indexed not illustrated 1920 edition excerpt critical notes v 1 frankenberg and preuschen have made the suggestion that we should translate see yourselves in him on the supposition that a primitive greek eavrous or avrou s has been misunderstood by the translator who took the word to refer to the eyes and not to the persons who were using the eyes the point deserves a careful consideration in ode xv 3 special importance is attached to eyes v 2 gressmann unnecessarily changes o to his spirit into om oj to his herrlichkeit v 3 the ms seems to have the meaningless jlt its correction into 1 is almost certain the root being i with a guttural hamza phonetically it is more correct to read jk i but it is a well known fact that the sound hamza is frequently softened into a weak letter expository notes this little ode like the preceding one is sapiential in character the mirror which the lord is declared to be is the unspotted mirror of the operation of god in the seventh chapter of the wisdom of solomon we have shown in the introductory chapters how familiar ephrem was with this ode and how he manipulated it into liturgical language if we keep the sapiential language before our mind we shall see the meaning of the close of the ode as well as its opening the believer who clothes himself with the divine holiness becomes also a spotless person d cai san os and is enjoined to be without stain at all time before him in the acts of john there is a curious hymn sung by the apostle to his disciples before his apprehension at the close of the hymn which seems to belong to christ speaking in him we read i am a lamp to him that sees me i am a mirror to him that considers me i am a door to him that knocks to me i am a way to

Job-Song of Solomon 1985-01-01 an important contribution a thoughtful account of the years preceding the second world war and at much greater length of the war itself history in this second volume of his history of naval power in the 20th century h p willmott follows the fortunes of the established seafaring nations of europe along with two upstarts the united

states and japan emerging from world war i in command of the seas great britain saw its supremacy weakened through neglect and in the face of more committed rivals britain's grand coronation review of 1937 marked the apotheosis of a sea power slipping into decline meanwhile britain's rivals and soon to be enemies were embarking on significant naval building programs that would soon change the nature of war at sea in ways that neither they nor their rivals anticipated by the end of a new world war the united states had taken command of two oceans having placed its industrial might behind technologies that further defined the arena of naval power above and below the waves where stealth and the ability to strike at great distance would soon rewrite the rules of war and of peace this splendid volume further enhances willmott's stature as the dean of naval historians praise for the last century of sea power series the author dean of naval historians provides a sweeping look at and analysis of the transformation of naval power willmott is fearless in his judgments seapower h p willmott is the finest naval historian and among the finest historians of any discipline writing today bernard d cole author of the great wall at sea

*The Book of Solomon's Magick* 1996-09-01 the book of first kings 4:32 says that solomon wrote 1005 songs a song is poetry like the psalms that were sung to bring forth a message from god god deemed this song important enough to keep it in his manual the bible the books of first and second samuel are the historical books of david but his love and emotions for god were written in his psalms likewise the book of revelation is a historical book of the bride of christ but the song of solomon is the love and emotions of christ and his bride this book is being published at the same time as revelation to be companion books with the same overview god desired a people who would be adopted into his kingdom christ would redeem every person who would acknowledge the plan of god to become children of the most high god the bible was inspired by god 2 tim 3:16 the book of song of solomon shows the love of the lord jesus to his bride the church who is called shulamite shulamite in hebrew is the feminine noun for solomon solomon in hebrew is shalom meaning peace unto wholeness this wholeness comes from a relationship with the lord which is offered to everyone male or female jewish or gentile non jewish do not think of solomon in this book as the king for he too is a believer in the lord so therefore he too can be the shulamite this is not a picture of solomon's love for a woman but instead the story of how solomon came to love the lord and grow spiritually throughout his life both books revelation and song of solomon are actually a symbolic picture of the ancient jewish wedding the bride is the church and therefore seen as female yet we know that god is identified as being present in both male and female therefore solomon is writing as a believer growing in his walk with the lord song of solomon like all books in the old testament point to jesus it can't be about solomon and his love for a woman it has to be about jesus therefore it shows how a believer grows in their relationship with jesus the jewish wedding takes us from the first time we see jesus in the spirit and are engaged salvation to the time we see jesus face to face in marriage our resurrection to the time we return with christ to rule and reign as his wife millennium to the time we live in the new heaven and earth eternity the intention of this book is to experience in the spirit the life of the believer growing in our knowledge and relationship with jesus christ
