## ***Second Coming Cloning Christ 2015-04***

second coming cloning christ takes a cup of genetics and cloning from michael crichton s jurassic park an equal measure of vatican intrigue from dan brown s angels and demons and a pinch of medical mystery mixed with early christianity from robin cook s intervention and blends the three together to cook up a high stakes genetics based religious thriller there appears to be a plot afoot to clone jesus christ something that can t be done with degraded dna samples from artifacts from the passion what are the plotters up to and why how can they possibly succeed if the plotters succeed in cloning christ it will mean the downfall of the vatican and the roman catholic church a reordering of the christian sects elevating a heretical sect to worldwide prominence and therefore a serious blow to the foundations of western civilization a document written by cassiodorus circa 523 ad has been uncovered that purports to provide the location of a map to the greatest treasure in human history what is the treasure and why are the plotters trying to find the map and the vatican trying to make sure it stays lost can the map be located or is it really lost in the sands of time the vatican has engaged a couple of unlikely sinners to be its saviors joseph delacroix is a tall athletic disgraced genetics researcher barely scraping by recovering stolen religious objects he is the perfect man for the job he loves a good mystery he is always the smartest person in the room and he knows it plus he is irreligious and has a strong streak of avarice marah jackson is a beautiful professional problem solver her favorite approach to solving a problem is to eliminate it most of the problems she eliminates are people she enjoys her work especially eliminating men with joseph providing the brains and marah providing the firepower can they save the vatican the roman catholic church and western civilization
