L'era della Web Communication 2012-10-17 sculpture and the museum is the first in depth examination of the varying roles and meanings assigned to sculpture in museums and galleries during the modern period from neo classical to contemporary art practice it considers a rich array of curatorial strategies and settings in order to examine the many reasons why sculpture has enjoyed a position of such considerable importance and complexity within the institutional framework of the museum and how changes to the museum have altered in turn the ways that we perceive the sculpture within it in particular the contributors consider the complex issue of how best to display sculpture across different periods and according to varying curatorial philosophies sculptors discussed include canova rodin henry moore flaxman and contemporary artists such as rebecca horn rachel whiteread mark dion and olafur eliasson with a variety of museums in america canada and europe presented as case studies underlying all of these discussions is a concern to chart the critical importance of the acquisition placement and display of sculpture in museums and to explore the importance of sculptures as a forum for the expression of programmatic statements of power prestige and the museum's own sense of itself in relation to its audiences and its broader institutional aspirations

Sculpture and the Museum 2017-07-05 volume xxi 1 of history of universities contains the customary mix of learned articles book reviews conference reports and bibliographical information which makes this publication such an indispensable tool for the historian of higher education its contributions range widely geographically chronologically and in subject matter the volume is as always a lively combination of original research and invaluable reference material

History of Universities 2006-05-11 this book explores the multifaceted aspects of sculptor's workshops from the renaissance to the early nineteenth century contributors take a fresh look at the sculptor's workshop as both a physical and discursive space by studying some of the most prominent artists sculptural practices the workshop appears as a multifaceted sociable and practical space the book creates a narrative in which the sculptural workshop appears as a working laboratory where new measuring techniques new materials and new instruments were tested and became part of the lived experience of the artist and central to the works coming into being artists covered include donatello roubilliac thorvaldsen canova and christian daniel rauch the book will be of interest to scholars studying art history sculpture artist workshops and european studies

Sculpture Workshops as Space and Concept 2022-03-20 the world that shaped europe's first national sculptor celebrities from schadow to david d'angers from flaxman to gibson from canova to thorvaldsen was the city of rome until around 1800 the holy see effectively served as europe's cultural capital and roman sculptors found themselves at the intersection of the italian marble trade grand tour expenditure the cult of the classical male nude and the enlightenment republic of letters two sets of visitors to rome the david circle and the british traveler have tended to dominate rome's image as an open artistic hub while the lively community of sculptors of mixed origins has not been awarded similar attention rome travel and the sculpture capital c. 1770-1825 is the first study to piece together the labyrinthine sculptors world of rome between 1770 and 1825 the volume sheds new light on the links connecting neo-classicism sculpture collecting enlightenment aesthetics studio culture and queer studies the collection offers ideal introductory reading on sculpture and rome around 1800 but its combination of provocative perspectives is sure to appeal to a readership interested in understanding a modernized europe's overwhelmingly transnational desire for neo-classical roman sculpture

"Rome, Travel and the Sculpture Capital, c.1770-1825" 2017-07-05 italiano le informazioni ricavate dalle fonti classiche presentano i mercenari iberici come personaggi secondari relegati ad alcune vicende siciliane e apparentemente senza particolari abilità al di fuori della forza guerriera nessuno ne ricorda attività in altre regioni né il ritorno nella penisola iberica ciononostante la ricerca ha riconosciuto loro un ruolo notevole in un primo momento fondamentale per l'acculturazione delle società iberiche ma successivamente marginale a partire da queste premesse il libro presenta un'analisi critica di una serie di testimonianze archeologiche di carattere militare nella penisola iberica e al di fuori di essa allo scopo di ridefinire la figura del mistophoros iberico lo studio considera diversi oggetti dalla corsica alla grecia per avvicinarsi alle modalità di interazione del mercenario iberico e valutarne quindi il ritorno nella penisola iberica infine sulla base di esempi concreti viene presentato l'impatto di questa esperienza mediterranea sulla trasformazione di alcune fra le loro armi
