The Secret History of Star Wars

2024-11-12

this enhanced ebook transforms the making of star wars into an immersive multimedia experience worthy of the original film it features exclusive content pulled from the lucasfilm archives by author j w rinzler 26 minutes of rare behind the scenes video 29 minutes of rare audio interviews with the cast and crew new bonus photos and artwork not found in the print edition after the 1973 success of american graffiti filmmaker george lucas made the fateful decision to pursue a longtime dream project a space fantasy movie unlike any ever produced lucas envisioned a swashbuckling sf saga inspired by the flash gordon serials classic american westerns the epic cinema of japanese auteur akira kurosawa and mythological heroes its original title the star wars the rest is history and how it was made is a story as entertaining and exciting as the movie that has enthralled millions for more than thirty years a story that has never been told as it was meant to be until now using his unprecedented access to the lucasfilm archives and its trove of lost interviews photos production notes factoids and anecdotes star wars scholar j w rinzler hurtles readers back in time for a one of a kind behind the scenes look at the nearly decade long quest of george lucas and his key collaborators to make the little movie that became a phenomenon it s all here the evolution of the now classic story and characters including annikin starkiller and a huge green skinned monster with no nose and large gills named han solo excerpts from george lucas s numerous ever morphing script drafts the birth of industrial light magic the special effects company that revolutionized hollywood filmmaking the studio hopping and budget battles that nearly scuttled the entire project the director s early casting saga which might have led to a film spoken mostly in japanese including the intensive auditions that won the cast members their roles and

made them legends the grueling nearly catastrophic location shoot in tunisia and the subsequent breakneck dash at elstree studios in london the who s who of young film rebels who pitched in to help including francis ford coppola steven spielberg and brian depalma but perhaps most exciting and rarest of all are the interviews conducted before and during production and immediately after the release of star wars in which george lucas mark hamill harrison ford carrie fisher sir alec guinness anthony daniels composer john williams effects masters dennis muren richard edlund and john dykstra phil tippett rick baker legendary production designer john barry and a host of others share their fascinating tales from the trenches and candid opinions of the film that would ultimately change their lives no matter how you view the spectrum of this phenomenon the making of star wars stands as a crucial document rich in fascination and revelation of a genuine cinematic and cultural touchstone video may not play on all readers please check your user manual for details

Star Wars Classic Stories: Return of the Jedi 2013-09-27

despite the insatiable public appetite for all things star wars the more analytical side of the saga is all too often ignored this book offers a new way of seeing george lucas space opera particularly the prequel trilogy a series never given a fair chance because of constant comparisons to the iconic originals in the classic style of joseph campbell the trilogy is viewed through the lens of myth and metaphor revealing a body of work not only worthy of scholarly study but perhaps destined to find therein its home a wide variety of philosophical and mythological themes are presented and

expounded upon drawing from a rich source of scholars thinkers writers and poets from east and west alike heretical or not the star wars prequels are a surprisingly rich source of insight into the saga as well as the human drama as a whole
