An Early Start 2000-01-01 there is a growing interest in teaching languages to young children this publication brings together papers from 18 countries it gives a cross section of major achievements and problem areas as well as an insight into research issues

Regimes of Belonging - Schools - Migrations 2021-12-14 this edited volume aims to critically discuss in how far the national orientation of schools and teacher education is appropriate in light of increasing migration and transnationality the contributions offer ideas from teacher education research and school pedagogical practice in different nation state contexts such as austria canada chile greece israel japan switzerland turkey the uk and the usa they ask which empirical and theoretical approaches are suitable for describing the phenomena of pedagogical professional dealings with migration related and transnational demands on schools in raising this question they do not reduce the analytical focus on migrants their migration paths actions or attitudes instead the authors analyse the global interconnectedness and entanglements each embedded in their specific national and global societal power structures and hierarchical relationships and the country specific and transnational structures and contextual conditions of schools and teacher education

Promoting Linguistic Diversity and Whole-school Development 2007-01-01 the council of europe stresses the importance of multilingualism in society and of individual plurilingual competence as means to social cohesion ultimately it is within the school that the necessary innovations need to take place the case studies presented in this publication are an authentic illustration of how this is being realised in different contexts and what successes and challenges it presents by bringing these innovative language education programmes and school profiles to the fore its participating in the creation of a new paradigm of school leadership whereby pupils parents and the local community instead of being excluded controlled and forgotten become actively involved in language endeavours similarly teachers can move on from being simply the executors of education programmes to becoming participants in drawing up implementing and evaluating school policies

Room on the Broom 2016 a special book and cd edition of the bestselling room on the broom how the cat purred and how the witch grinned as they sat on their broomstick and flew through the wind the witch and her cat fly happily over forests rivers and mountains on their broomstick until a stormy wind blows away the witch s hat bow and wand luckily they are retrieved by a dog a bird and a frog who are all keen for a ride on the broom it s a case of the more the merrier but the broomstick isn t used to such a heavy load and it s not long before snap it breaks in two and with a greedy dragon looking for a snack the witch s animal pals better think fast a very funny story of quick wits and friendship room on the broom is another smash hit from the unparalleled picture book partnership of julia donaldson and axel scheffler creators of the gruffalo room on the broom book and cd pack features the classic story with a stunning redesigned cover and finish and a story cd read aloud by actress and comedienne josie lawrence making it a must have addition to the bookshelves of all donaldson and scheffler fans big and small other available book and cd packs with redesigned covers are the gruffalo the gruffalo s child the snail and the whale the smartest giant in town monkey puzzle charlie cook s favourite book and a squash and a squeeze

Challenging the Monolingual Mindset 2014-10-01 this volume challenges the monolingual mindset by highlighting how language related issues surround us in many different ways and explores the tensions that can develop in managing and understanding multilingualism the book features analysis and discussion on the use of languages across a range of contexts including post migration settlement policy education language contact and intercultural communication

Arizona Coloring Book - Life in the Sonoran Desert 2009-12-02 translation interpreting and translatology face major challenges today as new technologies provide new ways of investigating our profession analysing the process of performing these acts of linguistic mediation or the outcome of our work and even permit a fresh look at old data however aside from a certain improvement in terms of research possibilities what else does the future hold for translation and interpreting this volume proposes the label translation 4 0 suggesting that contemporary translation should actually be understood as programmatic as expressions such as industry 4 0 and internet 4 0 which are often used to refer to the increasing application of internet technology to facilitate communication between humans machines and products as the book shows translation 4 0 is at least undergoing a process of formation if it is not already fully developed the contributions here not only look into developments in translation and interpreting per se but also explore the consequences of digitalisation for research in this field

[Bilingual](#) 2010-08-15 this volume assesses the state of the art of parallel corpus research as a whole reporting on advances in both recent developments of parallel corpora with some particular references to comparable corpora as well and in ways of exploiting them for a variety of purposes the first part of the book is devoted to new roles that parallel corpora can and should assume in translation studies and in contrastive linguistics to the usefulness and usability of parallel corpora and to advances in parallel corpus alignment annotation and retrieval there follows an up to date presentation of a number of parallel corpus projects currently being carried out in europe some of them multimodal with certain chapters illustrating case studies developed on the basis of the corpora at hand in most of these chapters attention is paid to specific technical issues of corpus building the third part of the book reflects on specific applications and on the creation of bilingual resources from parallel corpora this volume will be welcomed by scholars postgraduate and phd students in the fields of contrastive linguistics translation studies lexicography language teaching and learning machine translation and natural language processing

[Doing Fieldwork in Japan](#) 2003-07-31 spreen and risser present a comprehensive critical review of available methods for the assessment of aphasia and related disorders in adults and children the authors explore test instruments and approaches that have been used traditionally for the diagnosis of aphasia ranging from bedside screening and ratings to tests of specific aspects of language and to comprehensive and psychometrically standardized aphasia batteries coverage of other methods reflects newer trends including the areas of

functional communication testing of bilingual patients psycholinguistic approaches and pragmatic and discourse related aspects of language in everyday life the authors also examine the expansion of language assessment to individuals with non aphasic neurological disorders such as patients with traumatic brain injury lesions of the right hemisphere the healthy elderly and individuals with dementia taking a flexible and empirical approach to the assessment process in their own clinical practice spren and risser review numerous test instruments and their source for professionals and students in training to choose from in their own use the introductory chapters cover the history of aphasia assessment a basic outline of subtypes of aphasia both neuro anatomically and psycholinguistically and the basic psychometric requirements for assessment instruments the final part discusses issues in general clinical practice specifically questions of test selection and interpretation the book is a thorough and practical resource for speech and language pathologists neuropsychologists and their students and trainees

Translation in the Digital Age 2020-06-29 they were all the same communists nazis parents church book reviews features section editorial revolutionary struggle baader meinhof capital television club voltaire pacifism guerrilla mao trotsky red student action the underground scene and germania security they were all part of the same idea they knew how things ought to be they had a monopoly on consciousness love human happiness in raw material jörg fauser casts an eye over the times he lived in and his own life a junkie in istanbul the move to a commune in berlin and a squat in frankfurt work on an underground magazine and unceasing efforts to get a novel published the autobiographical testament of fauser s alter ego harry gelb is an unsparing razor sharp but often lovingly ironic portrait of the 1960s and 70 s it is a portrait of the artist to rank with the best and a portrait of the ferment of europe at that time
