are we there yet how many times have parents heard this refrain from the kids even before the car was out of the driveway kids seem to have difficulty understanding two things about traveling time and distance that's why parents so often hear how long will it take and how far are we going in addition to the classic of all time are we there yet traveling with kids can make a trip sometimes longer for everyone but do not worry a solution is here from activity bags travel activities in a binder can be made at home once assembled all the activities and games come with instructions and information and require no more than a dry erase marker and eraser which are kept in the binder some of the activities will be old favorites that maybe the kids have forgotten about and some new updated ones all the activities are easy to learn and geared for elementary age the binder is very easy to assemble with instructions in the book may your next trip be fun as you look forward to keeping your travelers occupied and learning at the same time read what others are saying about travel games in a binder having the travel activities in a binder is great for the car but we can use it while waiting at sporting events dance class music class etc the binder is so versatile bronwyn lit will be great to have something for the kids to do in the car verses watching movies michelle i know my boys will enjoy the activities while i enjoy the peace in the car megan a travel activities in a binder is great for our family because it is ready to go in a moment's notice they are also easy to pack and keep organized kimberly t travel activities in a binder is very versatile we can take our binders on the road to a hotel restaurant appointments and even camping lisa w this is a great idea for trips and will keep the kids and parents interacting while in the car as opposed to popping in a dvd or electric game to keep the kids active deborah b we are so excited to have traveling activities to go this is an excellent idea lori g we fit all our travel activity supplies into the zipper pouch which goes into the travel binder over 40 fun travel activities like tic tac toe above are included in the book more activities include ad libs hangman counting cows road sign bingo mazes the license plate game and so much more our kids have been having so much fun with the travel binders they've even been playing them at home travel activities in a binder provide a whole host of activities that a child can complete inside a binder using only a dry erase marker and a piece of fabric to be used as an eraser these are great for times when you might be waiting at a doctor's office or other appointment or when traveling in your vehicle i gave the travel activities binder to my daughter when she had to wait by herself at bell choir rehearsal the book was a big hit instantly she loved the variety of activities and spent the entire hour trying new things then i took the book back and kept it for the next time we had to wait somewhere it works well traveling or for while kids are waiting
