bach s harpsichord concertos and their autograph henle blog

Mar 30 2024

the bach harpsichord concertos do have an exciting genesis history in their past and the autograph score valuable as it is does not altogether reflect his final wishes in every respect all this can be gleaned from our urtext editions of the first two concertos and the five remaining concertos will certainly be following in the years ahead

on the lookout for the lost measure bach s c major prelude

Aug 23 2023

this perennial top seller from the 1850s quoted the bach prelude of the czerny edition and saw to it that the schwencke measure was adopted into the collective cultural memory thus the schwencke measure stubbornly survives right up to our day

a fresh look at bach s piano partitas henle blog

Jul 22 2023

a fresh look at bach s piano partitas posted on january 18 2021 by norbert müllemann johann sebastian bach 1685 1750 many readers and pianists will already have noticed that we are gradually revising our urtext editions of the johann sebastian bach piano works valid here too as with all the editorial department s more recent

two part inventions piano revised edition multilingual

Jun 20 2023

henle is the cleanest and probably most accurate version of the bach two part inventions there is no interpretive information just the notes and some suggested fingering this edition is suitable for learning the inventions if you are working on them with a knowledgeable teacher
