after the military coup in portugal on april 25th 1974 the overthrow of almost fifty years of fascist rule and the end of three colonial wars there followed eighteen months of intense democratic social transformation which challenged every aspect of portuguese society what started as a military coup turned into a profound attempt at social change from the bottom up and became headlines on a daily basis in the world media this was due to the intensity of the struggle as well as the fact that in 1974 75 the right wing moribund francoist regime was still in power in neighboring spain and there was huge uncertainty as to how these struggles might affect spain and europe at large this is the story of what happened in portugal between april 25 1974 and november 25 1975 as seen and felt by a deeply committed participant it depicts the hopes the tremendous enthusiasm the boundless energy the total commitment the released power even the revolutionary innocence of thousands of ordinary people taking a hand in the remolding of their lives and it does so against the background of an economic and social reality which placed limits on what could be done

La Federación Anarquista Ibérica fue fundada en 1927 como una confluencia de grupos anarquistas portugueses y españoles, algunos de ellos en el exilio, constituyendo la principal organización específica del anarquismo en la península ibérica desde sus inicios. Estuvo ligada a la CNT y a los movimientos obreros y sindicales en los que desempeñó un papel fundamental. En este libro, Julián Vadillo realiza un exhaustivo recorrido por la historia de la FAI desde sus antecedentes y sus orígenes durante la dictadura de Primo de Rivera hasta la época de la Segunda República y la guerra civil, destacando la influencia que tuvieron en su fundación acontecimientos como la Primera Guerra Mundial o la Revolución Rusa, así como la importancia de los numerosos debates ideológicos y congresos organizados por grupos anarquistas desde principios de siglo. Se analizan también en detalle la repercusión que tuvieron publicaciones como *Tierra y Libertad* o *Solidaridad Obrera*, destinadas a promulgar el pensamiento anarquista.
