Dugout - Terry Allen 2005 in this gustatory tour of human history john s allen demonstrates that the everyday activity of eating offers deep insights into human beings biological and cultural heritage we humans eat a wide array of plants and animals but unlike other omnivores we eat with our minds as much as our stomachs this thoughtful relationship with food is part of what makes us a unique species and makes culinary cultures diverse not even our closest primate relatives think about food in the way homo sapiens does we are superomnivores whose palates reflect the natural history of our species drawing on the work of food historians and chefs anthropologists and neuroscientists allen starts out with the diets of our earliest ancestors explores cooking s role in our evolving brain and moves on to the preoccupations of contemporary

foodies the omnivorous mind delivers insights into food aversions and cravings our compulsive need to label foods as good or bad dietary deviation from healthy food pyramids and cross cultural attitudes toward eating with the french bien sûr exemplifying the pursuit of gastronomic pleasure to explain for example the worldwide popularity of crispy foods allen considers first the food habits of our insect eating relatives he also suggests that the sound of crunch may stave off dietary boredom by adding variety to sensory experience or perhaps fried foods which we think of as bad for us interject a frisson of illicit pleasure when it comes to eating allen shows there s no one way to account for taste

life.love.beauty 2015-02-03 at a time when slick superficial psychological works are foisted on the lay public allen wheelis has written a serious treatise san francisco sunday examiner chronicle

Mene Mene Tekel Upharsin [Dan. v. 25]. (Erstes Buch, Glauben aus Erkennen ... Zweites Buch, Lieben im Geiste ... Drittes Buch, Hoffen auf Gnade ... Viertes Buch, Verschiedenes, etc. [Subscribed A. W.] 1869 despite numerous sources suggesting that islamophobia is becoming both increasingly prevalent and societally acceptable in the contemporary world there remains a lack of textual sources that consider either the phenomenon itself or its manifestations and consequences there is no authoritative text that attempts to understand or contextualise what might be seen to be one of the most dangerous prejudices in the contemporary climate chris allen begins by looking at ways of defining and understanding islamophobia he traces its historical evolution to the present day considering the impact of recent events and their aftermath especially in the wake of the events of september 11 before trying to understand and comprehend a wider conception of the phenomenon a series of investigations thematically consider the role of the media the contemporary positioning of muslims throughout the world and whether islamophobia can be seen to be a continuum of historical anti muslimism or anti islamism or whether islamophobia is an entirely modern concept the issue of islamophobia is considered from the perspective of the local regional and global the incidence of islamophobia and the magnitude of the phenomenon and its consequences is one that warrants a greater investigation in the world today this book is both academically and socially relevant and necessary
