on january 25 1904 a massive explosion ripped through a mine beneath the town of harwick pennsylvania killing all but one of the 180 men below ground andrew carnegie then retired and living in new york was moved by the disaster particularly the selfless acts of two men who died in failed rescue attempts within six weeks he was hard at work establishing the carnegie hero fund commission which both redefined what it meant to be a hero and helped to establish modern philanthropy in the past hundred years the carnegie hero fund commission has awarded over 8 700

medals for heroism and distributed nearly usd27 million in awards grants tuition and other assistance heady days when a handpicked group of men set out to design a new organization under the intense glare of media attention to the present and offers unique insights into how it investigates and authenticates the hundreds of acts of heroism reported each year it is the heroes stories themselves that form the heart of the book profiles of more than one hundred ordinary men and women who risked their own lives to save those of others in these pages you ll meet a james jimie dyess the only person to be awarded both the carnegie medal and the medal of honor and louis a baumann jr a seventeen year old boy who was awarded the very first carnegie medal commission to have been twice named heroes henry naumann of hammond indiana john james o neill sr of yonkers new york rudell stich of louisville kentucky and daniel elwood stockwell of phippsburg maine and later of east swanzey new hampshire medals have been awarded fifteen times for rescues performed on the niagara river just above the falls between july 11 1904 when daniel davis died attempting to save a fellow miner from suffocation in sherodsville ohio to september 23 2001 when twelve men died trying to save a coworker in the wake of a methane explosion in a mine near brookwood alabama the commission has awarded more than 150 medals to brave and unselfish individuals who took part in mine rescues participated in relief efforts following national and international disasters such as the san francisco earthquake of 1906 the sinking of the titanic the crash of air florida flight 90 in the potomac river and the terrorist attacks of september 11 2001 for the most part however the commission s work has focused on recognizing smaller acts of heroism which did not capture the attention of the country as a whole carnegie heroes have saved or attempted to rescue people from burning buildings rabid dogs attempted murders cave ins drownings avalanches and other perils hundredth anniversary a century of heroes is both an homage to the thousands of men and women

who have demonstrated their willingness to sacrifice everything for other human beings and a lavishly illustrated celebration of the unexpected heroes who walk among us

heroism in the 19th and early 20th centuries is synonymous with military endeavours imperial adventures and the great men of history there was however another prominent and influential strand of the idea which has until now been largely overlooked this book seeks to address this oversight and establish new avenues of study by revealing and examining everyday heroism acts of life risking

bravery undertaken by otherwise ordinary individuals largely in the course of their daily lives and within quotidian surroundings adopting an interdisciplinary approach John Price charts and investigates the growth and development of this important discourse presenting in depth case studies of the Albert Medal and the Carnegie Hero Fund alongside a nationwide analysis of heroism monuments and an exploration of radical approaches to the concept unlike its military and imperial counterparts everyday heroism embraced the heroine and this study reflects that with an examination of female heroism discovering why certain individuals or acts were accorded the status of being heroic also provides insights into those that recognized them heroism is a flexible and malleable constellation of ideas shaped or constructed along different lines by different people so if you want to identify the characteristics of a group or society much can be learnt by studying those it holds up as heroic consequently everyday heroism Victorian constructions of the heroic civilian provides valuable and revealing evidence for a wide range of social and cultural topics including class gender identity memory celebrity and literary and visual culture
